Dear Fellow Downtown Business:

In 2016, the Campbellsville Downtown Business Association merged with Campbellsville Renaissance to become Campbellsville Main Street, Inc. For years, both of these organizations had similar goals and objectives with the overall aim of promoting downtown Campbellsville. By combining resources and using the strengths of each organization, there are now more opportunities for the advancement of downtown Campbellsville through the local, state, and national Main Street Programs.

One of the earmarks of the state and national programs is community involvement with the realization that a progressive and vibrant downtown is central to a progressive and vibrant community. So far, the community involvement with Campbellsville Main Street has been amazing, with many new volunteers currently serving on our four committees of Organization, Promotion, Design, and Economic Vitality. We invite you to support Campbellsville Main Street either as a member or a corporate sponsor.

Campbellsville Main Street, Inc. is much more than just Main Street. We have expanded the geographic area to include more businesses in the downtown area. We have also adopted a new graduated dues scale which is on the membership application. It is our hope that this new dues scale will enable more businesses to participate in and benefit from the organization.

The Board of Directors meets the first Thursday of each month in the lower level of the Campbellsville Civic Center at noon. We invite you attend our meetings and participate in our committees for the betterment of Campbellsville's downtown area. Please feel free to contact any of the members of the Board of Directors with any ideas you may have for improving and promoting the downtown area.

I hope you will join us in making 2019 the best year yet for downtown Campbellsville.

Doug Tucker, President
