Dear Friend of Downtown:

I want to begin by thanking you for everything you already do to make our downtown a great place to work, live, eat and play. Without your effort, Campbellsville Main Street would not be the dynamic and thriving organization that it has become since its inception in 2016.

We are proud to say that due to our fundraising efforts and support from members, we can now offer more opportunities for the advancement of downtown Campbellsville than ever before through the local, state, and national Main Street Programs. We have so many plans for the future of downtown and are thrilled to see the progress that Campbellsville Main Street can continue to make in our downtown area – but we need your support as a downtown business to truly reach our potential.

To that end, we invite you to support Campbellsville Main Street as either a member or a corporate sponsor. We have enclosed an application package with this letter for your convenience and review. Please don't hesitate to reach out to us should you have any questions about the materials.

Campbellsville Main Street, along with our state and national counterparts, realize that a progressive and vibrant downtown is central to a progressive and vibrant community. So far, the community involvement with our organization has been amazing, with many new volunteers currently serving on our board and various committees. We continue to strive to have a board that is both diverse and driven to see downtown succeed.

Campbellsville Main Street, Inc. is now so much more than just Main Street. We have expanded to include more downtown businesses in hopes of involving even more people and groups into our vision of making Main Street a true destination for everyone.

Typically, the Board of Directors meets the first Thursday of each month in the lower level of the Campbellsville Civic Center at 9:00 a.m. We invite you to attend our meetings and participate on our committees for the betterment of Campbellsville's downtown area. As always, we would love to hear any ideas you have to move Main Street forward.

2025 saw impressive changes to our downtown landscape. New furniture and planters were added for an updated look and our Christmas décor was the best yet. We are planning even more exciting changes for 2026. We hope you will join us.

Sincerely yours,
